

Now Hiring in Central California: **Chief of Primary Care Services**

California Department of
State Hospitals

If you're looking to advance your career as a physician in an exciting and unique environment, while enjoying a competitive salary, world-class benefits package, and excellent work-life balance, we're looking for you! The California Department of State Hospitals (DSH) is the largest forensic mental health hospital system in the nation, and we're looking for qualified candidates to serve as Chiefs of Primary Care Services at our Atascadero facility in Central California.

As a Chief of Primary Care Services at DSH, you'll serve as the chief of all general medical services provided in the hospital. You'll also assist the hospital's Medical Director in ensuring that appropriate medical care is provided to our patients by our Physician and Surgeons and other professional medical personnel.

Atascadero

We invite you to join us in fulfilling our mission: caring today for a safe and healthy tomorrow.

Salary and benefits:

- **\$293,112 - \$364,656/year**
- Flexible workweek options may be available
- Substantial continuing medical education
- Generous defined-benefit pension*
- Medical, dental and vision benefits
- Private practice permitted
- Retiree healthcare
- Patient-centric, treatment first environment
- Relocation assistance may be available

** Position is approved for Safety Retirement*

To apply today, send your CV to our Executive Recruitment team at Executive.Recruitment@dsh.ca.gov!
