## Internship Program Admissions

**Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:**

Internships are offered for fourth and fifth year students enrolled in accredited doctoral programs in clinical or counseling psychology who have completed course work and doctoral level clinical practica in intervention and assessment. Specifically, the program requires that applicants have received a minimum of 500 direct contact intervention hours and 150 direct contact assessment hours *at the time of application*.

Intern applicants are required to have their qualifying examinations complete and dissertation proposals approved prior to application. Preference is given for candidates who will have their dissertations completed prior to the start of internship. Enrollment in an APA accredited program is strongly preferred. The internship is designed for the student seeking forensic training within a program that provides a broad-based clinical training experience. Some experience in forensic psychology is necessary.

**Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:**

Total Direct Contact Intervention Hours	No	<b>Yes</b>	Amount: 500
Total Direct Contact Assessment Hours	No	<b>Yes</b>	Amount: 150

**Describe any other required minimum criteria used to screen applicants:**

- 1) Fourth or fifth year student in a clinical or counseling psychology doctoral program
- 2) Qualifying examinations complete by application date
- 3) Dissertation proposal approved by application date
- 4) Forensic practicum experience
