Note: Only "allowable religious items" may be ordered by patients (See AD 618.1 Religious and Spiritual Items). No contraband items may be ordered or received.

Steps in ordering a religious Item:

- 1. A patient who wants to purchase a spiritual item will need to contact his religious leader and/or Chaplin. Together they will review the item in their approved Catalogs.
- 2. When an item is selected, the order form is completed. The Chaplin then gives the form to the Chief of Recovery and Mall Services.
- 3. The order will be reviewed, sent to the patient's Unit Supervisor, who will then assist the Patient in the completion of the order. The patient will need to fill out a Withdrawal of Client's Funds form, which will then be forwarded to the DSH-Atascadero Trust Office. Staff will notify the Patient Packaging Room Officer to expect the order.
- 4. When the item arrives, it will be sent to the Patient Packaging Room. The Patient Packaging Officer will notify the unit for pickup of the item.
