# DEPARTMENT OF STATE HOSPITALS STATEWIDE PROPERTY CONTRABAND LIST

Revised: 5/25

## CONTRABAND

- A. "Contraband" means materials, articles, or goods that patients are prohibited from having in their possession because the materials, articles, or goods present a risk to the safety and security of the facility. (Welf. & Inst. Code § 7295, subd. (i); Cal. Code Regs., tit. 9, § 881(e).
- B. All items that are illegal to possess are by default considered contraband, whether specifically contained in this list or not. This includes any items prohibited as a condition of parole as it applies to any patients on active parole while housed in a Department of State Hospital (DSH) facility.
- C. Items prohibited or restricted to use only under supervision or control shall be considered contraband for the purposes of this list, as they should not be in a patient's possession without supervision.
  - 1. Any policy, manual, directive or other facility or DSH document deemed to be "Patient Restricted".
  - 2. Any item(s) that is being used in an improper manner and/or altered in such a manner as to present a danger to the safety of any patient, staff member or visitor as well as, any item, when modified from its original stated purpose, is considered contraband.
  - 3. Alcoholic beverages, hand sanitizers or any item containing alcohol.
  - 4. All federal or state, legal or illegal drugs natural or synthetic, including but not limited to: narcotics, marijuana and any chemical derived from marijuana, hallucinogenic and prescribed or non-prescribed medications.
  - 5. All smoking, tobacco, and nicotine products pursuant to Welfare and Institutions Code section 4138. This includes electronic cigarettes, commonly referred to as - e-cigarettes, electronic vaping device, personal vaporizer (PV) or electronic nicotine delivery system (ENDS).
  - 6. Balloons or plastic wrap.
